HOMEMADE

Habits of Waste is a non-profit organization and a movement of social change makers with a **proven track record of shifting societal beliefs and norms for environmental sustainability**. Our mission is to clean up the planet, one 'habit of waste' at a time.

We are thrilled that you will be cooking with us and learning how to incorporate more plant-based meals into your lifestyle!

To get started, download our **free app** which includes incredible **recipes for every meal** of the day as well as a **meal planning tool** and a **carbon offset calculator** to measure your individual impact!
